## Welcome to Breakaway Active 2010 Holidays

I established Breakaway Active in 2004, to offer supported holidays to young (and young at heart) adults with a learning disability. Our holidays are ideal for customers aged between about 17 and 35 who are looking for a lively, activity-based holiday (although it has to be said nobody would ever be excluded on the basis of age only!). All Active holidays are shown in the brochure with a pebble logo and are suitable for holiday-makers who can join in with all the listed sports and activities. Breakaway Active holidays are designed to offer the holiday-maker a fun packed and safe holiday experience.

I will personally choose all the couriers for their individual skills and experience, based on the group who have booked that particular holiday. They will offer you the support you need to have a great time without compromising your independence. Whilst I accompany most of the holidays myself, there will be certain weeks when another member of the Breakaway Active team will lead the holiday.

Looking forward to seeing 'old' and 'new' faces again this coming year.

#### 3. SUPPORT

Please contact us to discuss your support requirements for any daily, medical, dietary, mobility and communication support not covered in Section 2. 1:1 support can be arranged. It is essential that we are made fully aware of your support needs as failing to do so may result in understaffing and so restrict the activities in which you are able to take part. All supplements are payable in advance. All costs incurred as a result of laundering soiled and/or wet clothing and linen will be invoiced at the end of the holiday. Costs incurred through non-disclosure of support needs, inappropriate packing, excess baggage or failure to supply all required medication and personal hygiene products will be invoiced at the end of the holiday.

Please inform us in advance if you have a food allergy or intolerance, or special dietary requirements to ensure that we can cater for you. If you have complex dietary requirements a diet sheet or menu must be provided, together with all food items not readily available in your country of destination. There is a supplementary charge for some special dietary needs.

#### 7. CHALLENGING BEHAVIOUR

Customers who display challenging behaviour should make us aware of their individual communication needs to ensure we can respond appropriately in all situations whilst on holiday. Please note that our holidays are not suitable for people who display physically challenging behaviour.

#### 8. MEDICATION

We are only able to hold customers' medication when supplied in purpose made dispenser wallets, where dosages are pre-measured with the correct combination and quantity of medication in each compartment. Please ensure that medication is clearly labelled, detailing the customer's name, the name of the medication, the condition to which the medication relates and the daily dosages with times and all other instructions. If you require us to hold Customers' medication please state this clearly on the booking form. We DO NOT accept medication in any other format.

#### 9. INSURANCE

You must buy appropriate travel insurance for your destination, including the UK, to come on a Breakaway or Breakaway Active holiday. We will need the name of your insurer, your policy number and your insurer's 24 hour helpline number before you travel with us.

#### 10. BALANCE PAYMENTS

The balance of your holiday cost is due no later than 90 days before departure (see Section 1). Please make cheques payable to Breakaway Ltd or Breakaway Active. A full itinerary will be sent to you approximately one week before departure. We reserve the right to charge a fee of up to £100 for late payments.
